

2026 YEAR 6 TERM 4 OVERVIEW

October 6 - December 11

In Year 6 this term, we will be learning about:

» ENGLISH

Students will read a novel and view a short film, then respond to questions demonstrating their understanding of the differences between the story and ideas, language features and text structure.

» MATHS

Students develop their mathematical understanding by solving problems involving fractions, decimals and percentages, exploring number patterns and algorithms, and investigating probability through chance experiments and simulations.

» SCIENCE

Students explore how environmental conditions affect living things, including investigating the factors that influence mould growth. They plan and conduct fair tests, analyse results and consider how science can help us make informed decisions about caring for our environment.

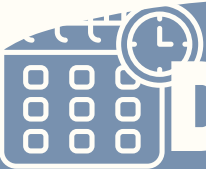

» HASS (Business and Economics)

Students explore how resources can be used to benefit individuals, communities and the environment. They investigate opportunity cost, consumer choices and the role of businesses in providing goods and services. Students will apply their learning to plan and host a Fair Day for another year level, presenting their ideas and making decisions about how resources can be used effectively

This term, you can support
your child's learning by:

- 
- @home
- Encouraging regular reading at home.
 - Practising multiplication facts and number fluency (a great app to download is Math Facts - Flash Cards).
 - Asking your child to explain what they have been learning each week.
 - Talking through feelings about the transition to high school.

Each term, Year 6 jobs are rotated between the classes. This term 6A and 5/6M are Prep Leaders and will raise and lower the school flags, 6B and 6C are running the Radio Station, and 6D and 6E are Reading Reserves and emptying paper bins.

DATES

Life Education: Talk About it

26-29 October

Day for Daniel

30 October

Active School Travel Breakfast

28 October

Highland Cup Final

13 November

White Water World Excursion

3 December

Graduation

9 December

Guard of Honour

11 December

A letter outlining events in the final few weeks of Year 6 will be distributed later this term.

For any clarity or questions, please reach out to your classroom teacher/s or contact DP, Clare Ferguson cferg91@eq.edu.au
