

learning@home

The Department of Education has a number of online tools and printable resources to support students:

- **Printable resources** - <https://education.qld.gov.au/curriculum/learning-at-home>
- **Online tools** (*student MIS username and password required*) - <https://learningplace.eq.edu.au/cx/resources/file/6f953822-eb08-473b-9f36-f5637af98019/1/resources/students.html>
 - Under 'Term 1' click on the Year 5 document.
 - Choose activities to complete from the variety provided.

Term 1

- Prep (DOCX, 81KB)
- Year 1 (DOCX, 82KB)
- Year 2 (DOCX, 85KB)
- Year 3 (DOCX, 86KB)
- Year 4 (DOCX, 87KB)
- **Year 5 (DOCX, 90KB)**
- Year 6 (DOCX, 90KB)
- Year 7 (DOCX, 85KB)

Online learning

- Reading Eggs/Eggspress app, or - <https://readingeggs.com.au/login1/>
- Mathletics app, or - <https://www.mathletics.com/au/>
- Study Ladder - <http://www.studyladder.com/>
- Sunshine Online app, or - <http://www.sunshineonline.com.au/login.php>

Literacy

- **Reading:**
 - Read a book (or comic) written by your favourite fantasy author and write down the words the author uses about the main characters and setting that paints the best picture in your mind. Add words in that might change the main characters personality or setting to be different.
 - Continue to complete daily home reading using a book of your choice or a digital book from the apps Reading Eggspress, Read Theory, Epic, Tumblebooks, Sunshine Classics or Sunshine Online.
- **Writing:**
 - Draw a picture from your favourite part of a book you have read or are reading and write about why this part is your favourite.
 - Complete a 'Sharp Write' (15min of daily writing) on a topic of choice, students may like to use www.pobble365.com
- **Spelling:**
 - Complete week 9 – 10 of the spelling list (i before e generalisations and exceptions rules, then revise all from the term.)

Numeracy

- **Number and place value:**

Factors and multiples

 - Revise what these numbers mean using the strategies we have practised in class (use Year 5 link above for access to videos as a prompt if needed.)
 - On Mathletics complete assigned activities associated to place value.

Recalling number facts

 - Using the Maths Splat app, spend 10 minutes each day practising number facts.
- **Measurement:**

12 and 24 hour time

 - On Mathletics complete assigned activities associated to 12 and 24 hour time (use Year 5 link above for access to videos as a prompt if needed.)
 - On the Prodigy app complete time activities.

Length, perimeter and area

 - Review the correct units of measurement for each of these (use Year 5 link above for access to videos as a prompt if needed.)
