

Blue Card Instructions for Volunteers

Thank you for your interest in supporting our school community through the P&C — we're so grateful to have you involved!

Due to recent child protection changes in Queensland, **all volunteers** are now required to hold a current Blue Card to participate in any P&C or school activities.

The good news: as a volunteer, this is completely **free** and can now be done easily online.

What you need to do

1

Create your Blue Card account

Register for an online account here:

<https://my.bluecard.qld.gov.au/account/registration/privacy-notice>

2

Send us your details

Once your account is set up, email hrsspandc@gmail.com with:

- Your Blue Card account number
- Your date of birth

We'll then link your account to our P&C portal.

3

Apply for your Blue Card

After we've linked your account, you'll receive a notification. Once you receive this, log in here:

<https://my.bluecard.qld.gov.au/login>

From there, you can complete your free volunteer Blue Card application.

⚠ A quick note

You won't be able to submit your Blue Card application until we've linked your account — so please wait for that confirmation before completing Step 3.

Questions? Email us at hrsspandc@gmail.com

Thank you for supporting our school community ❤️
