Dear Parents

OSHC Movies

As you are may be aware we have a television and DVD in OSHC. Whilst we do not use this option on a regular basis it’s great for the children if the weather is poor and we cannot get outside to play. We have checked out some movies and found that those that would most appeal to children (aged between five and twelve) are ‘PG’ rated.

Please see the reverse of this letter for a form giving or refusing your permission for your children to watch ‘PG’ rated movies.

Whilst we hope you will trust in our judgment, we understand that you may want your children to watch “G’ rated movies only and we will certainly respect your wishes if you choose this option.

Please return your permission/refusal with your enrolment form

Yours Sincerely
