Your employer

The Department of Education, Training and Employment (DETE) is committed to ensuring Queenslanders have the education and skills they need to contribute to the economic and social development of Queensland. The department delivers world-class education and training services for people at every stage of their personal and professional development. We are also committed to ensuring our education and training systems are aligned to the state's employment, skills and economic priorities. DETE is a diverse organisation with the largest workforce in the state. We provide services through four broad service delivery areas:

- State Schools Division delivers high quality education to more than 70 percent of all Queensland school students at prep, primary and secondary levels.
- Skills Reform, Training and Employment Division works to meet the current and future needs of the economy through building a world class training and skilling system to enhance the skills of Queenslanders and optimise employment opportunities through the regulation of the state's apprenticeship and traineeship system, strategic investment in training and skills, and the provision of whole of government leadership on employment and labour market issues.
- Policy and Programs Division leads early childhood development, and education, tertiary education and training and Indigenous policy, regulates the provision of childcare services and Home Education, supports the Australian Music Examinations Board and the Non-State School Accreditation Board, and provides grants to childcare service providers and non-state schooling sectors.
- TAFE Queensland is the largest provider of practical, relevant and quality vocational education and training in Queensland. The TAFE system supports the development of a highly skilled and flexible workforce to ensure Queensland's continuing growth and prosperity.

State Schools Division is responsible for ensuring that every day, in every lesson, every student in state schooling is learning and achieving within a safe, supportive, inclusive and disciplined learning environment and supported by strong governance and efficient business operations. State Schools Division provides support for high quality projects and processes to support schools to be united in their pursuit of excellence.

State Schools Division develops the strategic direction for state schools, supported by operational policies and ensuring their implementation in regions and schools. State Schools Division facilitates principal and teacher capability development through the development of resources, delivering professional development and setting standards.

Schools are the focus of expertise in learning. They perform a vital role in providing opportunities to students to acquire knowledge and understanding, pursue special interests, strive to achieve excellence and develop social and vocational skills. Their core business is providing a learning program for students to achieve system wide and school based learning outcomes. Schools also aim to facilitate and support participation among parents, students, administrators, teachers and others in the school community and between the school and departmental support structures.

Teachers play a key role in the delivery of quality education to students and will contribute towards:

- excellence in education through commitment to excellence in teaching and learning
- respected curriculum that helps students to live happily and productively in their own and the global society
- fair and equitable work practices
- productive partnerships that ensure that as an organisation State Schools Division stays focused on our goals and is able to achieve those goals effectively
- responsible school management
- responsive and helpful strategic management.

Your opportunity

As the Teacher you will:

- plan, prepare and deliver effective learning and teaching programs for every student in allocated classes and groups
- contribute to the development and implementation of the school objectives and school planning
- contribute to the establishment and maintenance of a supportive school environment
- contribute to and assist with the management and further development of personnel, financial, information and technology, assets and facilities resources of the school to ensure their optimum use in meeting educational and departmental objectives.

Teachers are accountable to and under the direction of the school Principal or delegate. The principal provides educational leadership for the school and sets the general direction and ethos for all staff, students and community members.

Your role

You will have responsibility for leading the following activities and delivery of the following key tasks:

- Plan, prepare and deliver quality and effective teaching and learning programs which are consistent with the *Australian Professional Standards for Teachers*; and relevant syllabi, curriculum policies, work programs and educational trends.
- Maintain teaching competency and currency of knowledge of relevant curriculum programs as required by the department, school or other relevant statutory authorities.
- Support students through interaction with them in a variety of settings and through the active development of supportive learning environments and effective behaviour management practices.
- Provide for the physical, social, cultural and emotional well being and physical safety of students whilst at school and enhance their overall development towards effective citizenship and responsible adulthood through participation in timetabled, non-timetabled and planned extra curricula activities.
- Assess students (diagnostic, formative and summative) for developmental, feedback and reporting purposes.

- Maintain student records and samples of work and report on student performance to students, parents, the department and other stakeholders as required.
- Participate in the collaborative development and evaluation of curriculum (the sum total of all learning experiences) and regularly monitor, through observation and evaluation, the effectiveness of the learning/teaching program.
- Establish and maintain appropriate interpersonal relationships between the school and community particularly in regard to the ethical obligations outlined in the Queensland Government *Code of Conduct*.
- Participate as appropriate, in school decision making processes and professional development

A mandatory requirement of this role is:

- Current full registration, or current provisional registration with eligibility for full registration, as a teacher in Queensland. Information on registration requirements is available at enquiries@qct.edu.au or on toll free 1300 720 944.

How you will be assessed

Within the context of the role described above, the ideal applicant will be someone who has the following key capabilities:

1. Ability to apply appropriate knowledge in order to plan and prepare teaching and learning programs in your nominated areas which meet the diverse characteristics, needs and learning styles of students; and are consistent with relevant syllabi, curriculum policies, work programs and education trends.
2. Knowledge of and the ability to implement effective and inclusive teaching and learning processes, including the use of learning technology and assessment, to establish a challenging learning environment in which students are encouraged to work towards attainment of their potential.
3. Ability to communicate effectively with students including the use of appropriate interpersonal skills, and the ability to plan and apply appropriate behaviour management strategies that contribute to the establishment and maintenance of a supportive learning environment.
4. An understanding of the need to work collaboratively with school staff and members of the wider community in order to establish productive partnerships and achieve educational outcomes.

Additional information

- The department prefers that school based classified officers serve a minimum of two (2) years from the date of appointment to the position and location.
- For further information refer to the Applicant Information Package and the conditions of employment for teachers.
- The department is committed to the provision of quality educational opportunities to all Queenslanders, in rural, urban and remote areas of the state. To assist in this, the department has statewide transfer guidelines and it is a requirement of permanent employment that employees may be required to serve anywhere in the state. All teachers are likely to be required to transfer at some stage during their career.
- A non-smoking policy applies in Queensland government buildings, offices and motor vehicles.
- Teachers who are not registered under the *Education (Queensland College of Teachers) Act 2005*, but who have been cleared by the Queensland College of Teachers for temporary employment in Queensland schools, are subject to a working with children check as part of the employment screening process. The department is legally obliged to warn applicants that it is an offence for a disqualified person to sign a blue card application form. Further details regarding this check may be obtained by accessing www.cycpcg.qld.gov.au/ or www.bluecard.qld.gov.au/.
