TO WHOM IT MAY CONCERN

Branded supplies headwear, uniforms, sportswear and accessories to schools across Australia.

Our products thrive on the challenges of the Australian schoolyard and are manufactured under strict standards and guidance. Should a manufacturing flaw be noticed during the first 4 weeks of wear, please do not hesitate to bring attention to this through your Retail Manager and she will in turn identify and replace the garment immediately on behalf of Branded. You will need to retain your receipt as proof of date of purchase.

We are confident that 4 weeks of wearing and laundering a school garment is sufficient time to recognise any workmanship or fabric faults.

Susan Torv
